REPORTS ON THE "L" ROAD

WOULD SAVE LAKE CRAFT

Caution Thousands of peddlers and many unscrupulous grocers are trying to force on the public, dangerous imitations of **Pearline**. Considering the marvellous popularity of Pearline, this is not surprising. We want to warn the public against the use of these articles. They are dangerous to fabric and hands. PEARLINE is never peddled, but sold by grocers everywhere.

Each package bears the name of JAMES PYLE, New York.
